API Student Paper Selection

Due: October 20th 2024

Each student has to select a research paper on an audio related subject, that they would like to present during one of the 4 Student Paper Presentation Sessions and submit the pdf of the paper to Brightspace before October 20th 2024, 23.59h.

Note:

- The subject may be related to your project but this is not mandatory.
- Always select a paper that has been refereed, i.e., is from a scientific journal or from the proceedings of a scientific conference/workshop.

- For research papers see for example:
